**2007 Blood Pressure Awareness Alliance, American Heart Association**  
[www.americanheart.org](http://www.americanheart.org)

The American Heart Association is a national voluntary health agency whose mission is to reduce disability and death from cardiovascular diseases and stroke. The American Heart Association is divided physically into the National Center (located in Dallas, Texas) and 10 affiliate offices that cover the United States and Puerto Rico. Millions of volunteers and donors support our efforts every year.

**2006 Oral Health Awareness Partner, California Dental Association**  
[www.cda.org](http://www.cda.org)

Since 1870, the California Dental Association (CDA) has served as a symbol of excellence in the dental industry. As California's "Trusted Source for Dental Information," the CDA's growing membership of more than 20,000 dentists is dedicated to promoting public health through policy, advocacy, innovation and continuing education. This remarkable tradition is enhanced through the organization's charitable affiliate, the CDA Foundation, which serves both the profession and the community through outreach, research, training and scholarship programs.

**2006 Oral Health Awareness Partner, Wyoming Dental Association\***  
[www.wyda.org](http://www.wyda.org)

The WyDA is dedicated to excellence in the dental profession in Wyoming through continuing education for its members; though advocacy to enhance dental/medical opportunities for practitioners and through assisting it members to achieve the highest level of patient care to service Wyoming's population needs. A membership in the Wyoming Dental Association is a "symbol of excellence".
